Hey everyone,

It's Kevin Bogardus with E&E News.

I'm working on a story about Acting Administrator Wheeler. I had a few questions for you, which are:

- Will Acting Administrator Wheeler have a 24/7 personal security detail? If it's too soon to say, is a threat assessment being conducted to see if he needs one?
- Will Acting Administrator Wheeler fly first class when he travels as administrator due to security concerns? Or will he fly coach? If it's too soon to say, is a threat assessment being conducted to see if he needs to fly first class?

- Does Acting Administrator Wheeler plan to use the secure phone booth in the EPA administrator's office? Does he believe it is necessary for his job as EPA administrator? Why or why not?
- Does Acting Administrator Wheeler plan to release a daily schedule to the public in advance of the day's events, like past EPA administrators? Why or why not?
- Does Acting Administrator Wheeler plan to open up access to EPA employees in EPA headquarters, specifically letting EPA employees freely walk through the hallway outside of the EPA administrator's office? Why or why not?
- Does Acting Administrator Wheeler plan to open up access to the press? Hold press conferences? Give public speeches? Scrum with reporters after said public speeches? Include all reporters on the EPA press list who ask to be on it?

Please get back to me as soon as possible. My deadline is noon EST Monday, July 9, but the sooner you get back to me, the more it helps my reporting. Thank you for your help.
